## Haul Permits Online System-Registering/Sign-in

Click on the link to visit the Haul Permits page for the Highway Haul Permits Web-based application:  
<https://www.cookcountyil.gov/service/transportation-and-highways>

Your web browser should show the following screen. Save this web page to your favorites or place a shortcut on your desktop.

### Sign-in

If you have an account, please enter your email and password on the left-hand side.

After entering email and password, click the Sign In button.

The screenshot shows the 'Highway Department Online Haul Permits' web application. The header includes the Cook County Illinois logo and the text 'Highway Department Online Haul Permits'. Below the header, a welcome message reads: 'Welcome to the Cook County Department of Transportation and Highways'. A notice states: 'To all Highway Haul Permits applicants, please be sure to read the following document before you apply online. [Click here](#). This site will allow you to apply for oversize/overweight permits and check permit application status.'

The main content area is divided into two columns. The left column contains a 'Login' section with fields for 'Email:' and 'Password:', a 'Forgot your password?' link, and a 'Sign in' button. Below this is a 'Register' section with the text: 'Create a new account today to obtain and check permit application status online. With an account, you'll be able to store your hauling equipment information in our system and use it whenever you want to apply for a new permit. Also, you can check status of your recent application, lookup your past permits, and much more.' and a 'Register' button.

The right column contains an 'IMPORTANT NOTICE' section with the text: 'New Permit Application fee (\$10.00 non-refundable) beginning 1/9/2013 and revised permit fees per Cook County ordinance 12-D-09. [Please refer to current Ordinances for fee schedules \(Chapter 66, Article IV\)](#). Refer to Permits Online Payment at [Last/Next](#).' Below this is the 'Haul Permits Online System' section, which states: 'The Cook County Department of Transportation and Highways is authorized by the Illinois Size and Weight Law (625ILCS 5/Ch. 15) to issue special permits. These permits allow the operation of vehicle or loads that exceed the legal maximum dimensions and weights. The Haul Permits are valid only for those highways under the jurisdiction of the Cook County Department of Transportation and Highways ([see System Main page](#)).' This is followed by 'Conditions for Haul Permits' which states: 'The oversize/overweight permits are subject to these Conditions for Haul Permits. Prior to issuance of these permits, the trucking companies must provide the following three items:' and a numbered list: 1. Create an account in our Haul Permits Online System; 2. Provide Proof of Insurance to complete the registration of the company; 3. Complete and Submit "Oversize/Overweight Permit" Application using our online application. Below this is the 'Limited Continuous Annual Haul Permits' section, which states: 'Limited Continuous Annual Haul Permits Effective August 20, 2009. For companies that qualify for Limited Continuous Annual Haul Permits according to Ordinance 09-D-48:' and a numbered list: 1. Create an account in our Haul Permits Online System; 2. Provide Proof of Insurance to complete the registration of the company; 3. Submit the "Limited Continuous Annual Permit Location Registration" form within our online application; 4. Complete and Submit the "Limited Continuous Annual Haul Permit" Application using our online application.

Links for 'Privacy Policy' and 'Terms & Conditions' are also provided.

If you do not have an account established, click the Register button on the left-hand side. (See Registering below)

## Registering

Click the Register button.

Fill out company information.

Note, there can only be one email and password per company. The system does not accommodate multiple user logins per company. If there are multiple users per company or the company uses Permitting Agencies, the company will have to set up a general email and password that all users for the company can use.

#### Highway Department Haul Permits Online System

The Cook County Highway Department is authorized by the Illinois Size and Weight Law (625 ILCS 5/Ch. 15) to issue special permits. These permits allow the operation of vehicle or loads that exceed the legal maximum dimensions and weights. The Haul Permits are valid only for those highways under the jurisdiction of the Cook County Highway Department.

#### Conditions for Haul Permits

The oversize/overweight permits are subject to these Conditions for Haul Permits. Prior to issuance of these permits, the trucking companies must provide the following three items:

1. Create an account in our Haul Permit Online System
2. Provide Proof of Insurance to complete the registration of the company.
3. Complete and Submit "Oversize/Overweight Permit" Application using our online application

#### Limited Continuous Annual Haul Permits

Limited Continuous Annual Haul Permits Effective August 20, 2009. For companies that qualify for Limited Continuous Annual Haul Permits according to Ordinance 09-0-48:

1. Create an account in our Haul Permit Online System
2. Provide Proof of Insurance to complete the registration of the company
3. Submit the "Limited Continuous Annual Permit Location Registration" form within our online application
4. Complete and Submit the "Limited Continuous Annual Haul Permit" Application using our online application

## Haul Permits Online System-Activating Account/Submitting Insurance

Click My Account Settings on the top left side of the page.

When the account is initially opened it is not activated until the company submits the proper insurance to Cook County and the Cook County personnel updates the insurance with expiration dates.

In the future the account will notify the company when the insurance will expire.

**CONDITIONS FOR HAULING PERMITS**

1. Additional permits from the Illinois Department of Transportation and/or local government agencies may be required.
2. That the said applicant, its successor or assigns shall assume all risk and liability for accidents and damages that may accrue to persons and property during the prosecution of the work or any time thereafter, and that said applicant agrees to claims for damages and from all costs and expenses incurred on account thereof, and in connection therewith.
3. That this permit is effective insofar only as the department has jurisdiction and does not presume to release said applicant from compliance with the provisions of any existing statutes relating to this movement.
4. That this move meets all the latest rules and regulations of the State of Illinois.
5. The authorized times of movement shall be per latest version of IDOT's OPER 993 form.
6. That the Permittee equipment operations shall be conducted in a manner to insure the minimum hindrance to traffic using the pavements and at no time shall the operations obstruct more than one-half of the available pavement widths unless, in the instance of transporting over-size equipment it is escorted by an official police vehicle and said equipment and/or load is clearly marked with flags, etc.
7. That the use of flagmen and that the number, type, color, size and placement of all traffic control devices shall conform to the latest edition of the State of Illinois "Manual on Uniform Traffic Control Devices for Streets and Highways."
8. That the pavements shall be kept clean and free of debris at all times.
9. That the equipment, load or object to be transported will not be loaded nor parked either day or night upon the highway without specific permission from the Cook County Department of Transportation and Highways.
10. That if the applicant's usage of said highway causes failure in the base course or bituminous pavement thereon, said applicant should immediately and at his own expense repair said failures.
11. If at any time during the effective date of this permit, construction begins on the road(s) mentioned herein, contact Cook County Permits to ok existing route through the construction zone or to determine an alternate route.
12. This Permit can be revoked, at any time, at the discretion of the Superintendent of Cook County Department of Transportation and Highways
13. It is the responsibility of the permittee to inspect all grade crossings for clearance along the permitted route prior to a move. Furthermore, the permittee assumes sole responsibility, and indemnifies the Department of Transportation and Highways at no cost to Cook County.
14. Haul Permit is subject to the current Cook County Ordinance.
15. All oversize and overweight vehicles needing engineer approval must allow seven days from the submittal for an additional structural engineer review and response.
16. Provide escort vehicle per the latest version of IDOT's OPER 993 form.
17. All haul permit options available on the Haul Permit Online System are per truck. The license plate number of the vehicle to be used on the permit must be entered when requesting a permit on the Haul Permit Online System.
18. The Permit Office may issue a revision to the permit per the latest version of IDOT's Permit Office Policy Manual Title 92: Transportation Chapter I: Department of Transportation Subchapter F: Highways Part 554 Oversize and Overweight Permit Movements on State Highways.
19. The original permit, as well as all supplemental (revision/extensions) permits and form OPER 993 are required to be carried in the vehicle for inspection by an authorized agent or police officer. (An electronic version is acceptable.)
20. If you have any questions, please contact the Permit Office at 312-603-1670.
